Subject: MS Settlement Issue -- PLEASE resolve and settle as soon as possible!

Greetings,

In accordance with the pending DOJ litigation matters under review, please be advised that I wholeheartedly feel that it is in the best interest of the general public, the US economy (including the the world economy as well), and private industry also that the US DOJ expedite a swift and effective settlement of this current litigation with Microsoft as soon as possilbe.

In fact, I feel that this lingering cloud that the DOJ has had over this matter has had one very detrimental effect on our economy, and should be resolved a.s.a.p.

Your consideration of this appeal is very appreciated. Sincerely, R. Daniel Smith, rsmith47@hotmail.com
